ARE YOU REALLY CHRISTIAN?

Scripture is clear that in our present age the majority who claim to be Christian are not Christian. Even though you might pray, read your Bible, do good works, cast out demons and have the appearance of being a good, strong Christian, there's a very real possibility that you will be one of the deceived to whom Jesus tells, "I never knew you." (Matthew 7:21-23, 24:4; 2 Thessalonians 2:3; 2 Timothy 3:5; Revelation 2&3)

Because of the days we are living in it is important that you take a good, long, hard look at the Christian you think you are...chances are you are part of the majority who doesn't know Jesus, even though you do many things in his name. We live in such an age that we must examine ourselves to ensure we are truly walking in the faith. (1 Corinthians 10:12; 2 Corinthians 13:5; 2 Peter 1:10-11)
